The features available let you align and merge images and process them as HDR image.. This creative plugin is a lot more interesting for photographers That seemed Maurice Duke a good reason to go once to delve into this software! Mar 06, 2007 Hi all, I've always thought HDR looked really cool, but as most of you know, I'm an 8th grader without much cash (blew most of it on a MBP, K100D, and various charities) or a paypal account.
